Would they allow an older, seagoing game warden to paddle with him? :-)

This is doable. Get the paddlers in touch with me so I can set up the event permit.  
Feed will be waived of course but we just need to make sure we plan it out  
correctly.

This a great idea, but would need to clear with State Parks?

Dear Mr. Hodgins:

Bob Poole of WSPA referred me to you as one of the Tribal Elders and Tomol paddler Reggie Pagaling was hoping to celebrate the re-opening of Refugio Beach with a traditional blessing and launch of the traditional Chumash plank canoe call the "Tomol."

Please contact Mr. Pagaling and I at your earliest convenience.

I have attached an 2006/2007 article about the annual Chumash Tomol crossing to give you a little bit more detail.

Sincerely,

Sam Cohen
